## **Essays on Various Subjects of Ecclesiastical History and Antiquity**

The letter elicited a similarly open and candid response from Machiavelli, and the exchange that followed over the next three days reveals, behind the humor, an awkward tension between these two most celebrated political thinkers of the Florentine Renaissance, so close in their origins and culture, yet so distant in their political experiences, loyalties, and inner convictions.

## Why?

The genealogical dead-ends that the institution of slavery has caused for descendants of African slaves gives me a greater appreciation for having the privilege of being able to trace my family's roots as far back as some of my ancestors have been able to. Oh good.

## CALENDAR - All The Bible Teaches About

Then, suddenly, with almost no transition, we would find ourselves deep in earnest conversation about the nature of true happiness or the dangers of ambition. OK, close.
