Asimov also wrote mysteries and fantasy as well as much nonfiction. An example of a mean-reverting process is the Ornstein-Uhlenbeck stochastic equation. France has become the world's leading

producer of nuclear power per capita, with the world's second-greatest nuclear power capacity exceeded only by the United States. Our passage was of two hours, at the end of which we landed on French soil, and found ourselves immediately in the clutches of the custom-house officers, who, however, merely made a momentary examination of my passport, and allowed us to pass without opening even one of our carpet-bags. Is he even her real father.
