The last section was a bit too reflective, but otherwise this worked for me. DIY Style tells the story of this international do-it-yourself DIY movement through a major case study of one of its biggest, but least known contingents: the "indie" music and fashion scene of the predominantly Muslim Southeast Asian island nation of Indonesia. Today's hodgepodge of premiums, copays and state and federal spending would all be rolled into one federal, taxpayer-funded program.
