Already in the development from earth to mankind, a striving of forces was at work, aiming to balance one another by generating determinate forms or individual existences. Because if your motivation is the people that God is using, you are missing the point.

It's shock-fullofexplanatorynotesmeanttohelpthereaderunderstandthe However, as will be evidenced from empirical findings to be reported in this session, such an assumption is often untenable and particularly so when the measure has been adapted for use in another language and cultural milieu. Ravina C. Seeing the signs which Jesus worked leads at times to faith, as in the case of the Jews who, following the raising of Lazarus, "having seen what he did, believed in him" Jn At other times, faith itself leads to deeper vision: "If you believe, you will see the glory of God" Jn In the end, belief and sight intersect: "Whoever believes in me believes
